

## **The Carmel Foundation Wednesday Programs April 2018**

Refreshments Served Immediately Following the Program

### **Meet Peace of Mind Dog Rescue, a Resource and Advocate for Senior Dogs and Senior People on The Central Coast**

Time: Wednesday, April 4, 2:30pm

Join Elle Brookman and Tracey Pepper, board members of POMDR and learn all about their programs, impact in your community, financial assistance programs and their latest accomplishments. Did you ever wonder what the relationship is between seniors and pets? Come be a part of this one of a kind presentation and meet one of our ambassador dogs. Don't miss out! We'll lend you a helping paw!

### **Corn Hollow - An Interactive Historical Fiction Performance- by LaVerne McLeod**

Time: Wednesday, April 11, 2:30pm

Join us for a dramatic author performance of the novel, "Corn Hollow," by LaVerne McLeod, depicting African American history in America and a Southern family during the rise of the Civil Rights Movement of that era. This presentation will be interactive so plan to get involved, taking a role based on a selected chapter from the novel.

### **Intelligent Trees - by Friends of Carmel Forest**

Time: Wednesday, April 18, 2:30pm

Join Friends of Carmel Forest's president, Maria Sutherland, for "Intelligent Trees," a 45-minute documentary. Featuring German forester Peter Wohlleben, author of "The Hidden Life of Trees," and scientist Suzanne Simard, the film shows how trees communicate and care for each other. The film will be followed with a discussion.

### **Monterey Bay Village Looking Ahead Wellness Series – Spine and Joint Health**

Time: Wednesday, April 25, 2:30pm

Join Dr. Ryan Wong of Doorbell Chiropractic, Monterey Peninsula's House Call Chiropractor, to learn more about treatment and home remedies for common neck, back, shoulder, hip, and knee problems.

### **"Birds - Poetry - Stories - Hoots and Whistles!"**

Time: Wednesday, May 2, 2:30pm

Taelen Thomas is back! He brings his unique blend of storytelling and performance to explore the dynamic lives of local pelicans; the mysterious and startling skills of the mockingbird; the hoots and habits of owls and loons; and the tables manners of young vultures! Mark your May calendars!
