Staying Safe Online:

***Protecting Yourself from AI Cyber
Threats & Scams***

In today's digital age, staying safe from AI-driven cyber threats is more critical than ever, especially for senior citizens.

Join Luis Alvarez, cybersecurity expert and founder of Alvarez Technology Group, for an informative session on how to recognize and avoid phishing scams, secure your personal information, and navigate technology with confidence. With over three decades of experience in cybersecurity and IT solutions, Luis has helped businesses and individuals protect themselves from evolving digital threats.
